aloe-inspired

Founder, Rex Maughan, has a vision of a **healthier life for everyone.**

That's what led him to launch Forever Living Products in 1978.

Rex had a vision of bringing the tremendous benefits of Aloe Vera to people all around the world to help them look better and feel better and help others do the same.

From day one, he had a passion for doing things the right way – finding the perfect ingredients from the best sources, working with experts in all areas of the business and making decisions with integrity.

This concept is the cornerstone of who Forever is. Not because anyone told us we had to do it that way, or because it's trendy, but because we believe if you're going to do something, you have to do it right.

pure

Our plants, our plantations,
our way.

Because we love Aloe, we treat the 50 million Aloe Vera plants in our plantations a bit differently. Our Aloe is harvested by hand and our potent Aloe Vera gel is delicately separated from the leaf before being gently stabilized in a special, patented process. This all happens within hours of harvesting to provide you the purest, freshest Aloe Vera gel from plant to product to you.

Powerful Ingredients

We have dedicated ourselves to seeking out nature's best sources for health and beauty and sharing them with the world. Our Aloe Vera products were the first to receive the International Aloe Science Council's Seal of Approval for consistency and purity.

At Forever, we combine pure Aloe Vera with natural and scientifically advanced ingredients selected to compliment and enhance the benefits of Aloe. The versatility of Aloe Vera means it can be combined with different ingredients and used in many ways to help you and your family look better and feel better.

Honest Practices

Forever does not test its products on animals and many of our products feature the Kosher, Halal and Islamic Society Seals of Approval.

We are very proud that our products have benefited millions in the United States and over 158 countries around the world. We hope you'll be the next person to experience the amazing benefits of Aloe Vera.

Sonya™ Aloe Deep-Cleansing Exfoliator

By gently removing dead skin cells, your fresh, new skin is able to radiate. Jojoba beads roll over your face, collecting dead skin cells while Aloe, cucumber and lemon fruit extracts moisturize the new skin underneath. This is so effective that you only need to use it up to three times a week, even though it will feel so good, you'll want to enjoy it more often.

Essential Oils

Forever™ Essential Oils Lemon

Because we're based in the Southwestern USA—we know our citrus. Long before it becomes an oil, the lemon trees are being tended to by hand. After being gently plucked, they are cured until they reach peak ripeness, which gives you the highest quality essential oil. Lemon supports cleansing, immunity and healthy digestion.

507

Forever™ Essential Oils Peppermint

When you have a good thing going, you stick with it. This is the case with our peppermint supplier. They are a trusted farm that has grown and harvested peppermint for close to 100 years. Their plants have a naturally higher menthol content—the main component of peppermint. The calming and cooling effect of peppermint has been used for many purposes, dating all of the way back to the Greeks.

508

Forever™ Essential Oils Lavender

We'll go wherever the finest quality ingredients are and in the case of lavender, that is Bulgaria due to its ideal climate and soil. Thanks to its excellent growing conditions, our lavender has high levels of linalyl acetate—the principal component of lavender. While there are many uses of lavender, it is especially powerful for its calming, soothing and relaxing effects.

506

Forever™ Essential Oils Tri-Pak

A convenient sample pak for those getting started with essential oils. Featuring 5 mL sample sizes of three of our most popular and classic single notes: peppermint, lemon and lavender. Encased in a beautifully presented display box that also helps organize and keep bottles safe.

Forever™ Essential Oils At Ease

We searched the world over for the purest essential oils and expertly combined them into beneficial and efficacious blends. At Ease is gathered from France, Russia, China, the US, Egypt and Spain. A carefully crafted concoction of wintergreen, lavender, eucalyptus, coriander, oilbalm, rosemary, roman chamomile, peppermint, basil and origanum, At Ease may promote harmony and inner-calm.

509

Forever™ Essential Oils Soothe

Hailing from India, China, Madagascar and Egypt, this well-traveled, balanced blend of nature contains pure Wild Mint, Wintergreen, Camphor, Ylang Ylang and Chamomile. Ylang Ylang is well-known for its calming and relaxing properties. Add in the additional pure oils and this is a penetrating blend that helps settle your soul.

511

Forever™ Essential Oils Defense

Harvested from India, Nepal, Somalia, The US, Madagascar and Hungary, this defensive blend includes clove bud, orange, cinnamon bark, rosemary, frankincense, eucalyptus and juniper berry. Clove has been recognized for its many benefits for centuries, making it a great preemptive foundation for the other oils to build on. This immunity-boosting blend helps promote strength and vitality.

510

Forever™ Essential Oils Carrier Oil

Since many of our oils are so concentrated, they need to be used in conjunction with a carrier to help deliver their benefits to you in a safe way. A carrier oil is also a great way to help spread and massage the oils, as well as condition the skin. A proprietary blend of antioxidants, natural oils, Aloe Vera and vitamins E, A and C, this is the perfect way to enjoy Forever™ Essential Oils.

505

Forever™ Essential Oils Bundle

Why pick one, when you can have them all? This complete pak features all three of our individual notes (15mL): lemon, lavender and peppermint as well as our three signature blends (10mL): Soothe, Defense and At Ease. A beautifully displayed, yet simple way to experience the full line. These six essential oils will allow you to have a full, immersive experience to meet all of your natural wellness and beauty needs.
